A word from Mrs Bennett...

Hoorah, we have made it to the Christmas Holidays! I have been so impressed by the way staff and pupils have kept going right through to the end. This week has been creative and festive and although I have no doubt that pupils are tired, they remain as cheerful and positive as ever. It has been a difficult term, but we have felt supported by the community; thank you. The PTA have been fabulous and found creative means for us to celebrate in alternative ways. The treasure hunt organised by one of our village community was great fun and I did not realise how competitive we are at Lanivet, particularly the staff! The fantastic Christmas tree, donated by the May family has brought us much joy and thank you to the Davies family for the lights and decorating the tree too.

We are very proud of the musical achievements of our pupils under Mr Warwick's direction and I know that you are going to enjoy the Christmas production when it is uploaded to our website. We are very grateful that Lanivet Church allowed us to have music lessons in the Church, as this is a large space where we can work safely. Thank you everyone, it is so very lovely to see the children shine.

We will write to you in the first week of the Spring term to confirm the arrangements for the new term, including staffing, new risk assessment, news on residential etc. We will be closed for a training day on Monday 4th of January and are looking forward to seeing you on Tuesday 5th of January 2021, staggered times as per Autumn term.

I wish you a happy Christmas and a healthy 2021 from all at Lanivet School.

Our Christmas week at Lanivet...

Another busy, busy week at Lanivet, here's a summary of what we have been up to in the final school week of 2020...

Dolphin Class – have been very busy making miniature Christmas house cookies, finishing their Christmas cards, drawing Christmas pictures, writing Christmas words and learning one more and one less in Maths. They also enjoyed watching a movie with popcorn and drinks thanks to PTA! **Fox Class** – In Maths this week the children have been learning about 3D shapes. In English they have been using their senses to describe winter. Towards the end of the week we had a wonderful visit from Mrs Bennett, where she helped the children get crafty, by making candle holders using winter foliage. The children have also had lots of Christmas fun, watching Christmas movies, playing games, colouring and making snowmen sliding cards for DT. **Duck Class** – have finished off their stories and turned them into books. They've finished off their D.T and rounded up their learning for the term. As well as plenty of Christmas fun... from snowman trails, to turning the classroom into an indoor cinema, to Christmas bingo, and finally creating the most beautiful Christmas cards using their learnt art skills. Year 2 are such a fantastic bunch and Miss Haworth is proud of them in every way possible! **Otter Class** – This week the children have worked really hard to sew and create their cuddly snowmen. The children have had a lovely time playing party games today. **Puffin Class** – have written amazing explanation texts to explain how rivers work. They have also had a fabulously festive week with baking cupcakes, parties, dancing, and Christmas card making. **Dragonfly Class** - finished their class novel, Viking Boy. They also celebrated the end of term with games, snacks and a Christmas film. Thanks to the PTA for generously providing us with drinks and snacks. Mr Heard would like to wish you all a Merry Christmas and all the best for the New Year. **Hedgehog Class** – have been focusing on DT all week. Learning how to applique, making prototypes and then creating a panel each for a blanket for Baby Coates! Whilst having festive fun too.
