Dear Parents & Carers

I just wanted to give you an update on our situation at school.

I am keen to be as honest and transparent with you as possible, this helps avoid rumours and unnecessary worries. As you can imagine, I am also often constrained by the need to maintain confidentiality which means sharing information with you can be difficult.

We currently have two confirmed and two suspected cases within the school.

Public Health England are very keen to keep the school open, and we are expecting our Y1 and Y5 pupils back on Monday. If no more cases become apparent, this will be the end of this episode.

However, if we were to have more cases then we will continue to follow the advice from the Public Health team, close impacted bubbles and, as a last resort, the whole school.

It is very hard to plan ahead as you can appreciate, but let's keep our fingers crossed and hope that we have nipped this situation in the bud.

Remember, as a parent with a child at primary school, you can request lateral flow tests for your household, you can find more information on the government website here:

<https://www.gov.uk/guidance/rapid-lateral-flow-testing-for-households-and-bubbles-of-school-pupils-and-staff>

Thank you for your support, if you have any concerns or questions, please get in touch.

Kind regards

Ingrid Bennett

Executive Headteacher
