23rd March 2021

Dear Parents & Carers

We are happy to confirm that our deep clean has been completed. Lanivet School has been cleaned with 'Zoono Fogging', which cleans and sanitises large areas of a building quickly and effectively. It can kill off the virus the in the air and on surfaces. The Zoono fogging should protect the premises for four weeks, and was completed alongside an infection clean of all hard surfaces and floors.

We are looking forward to seeing Y1 and Y5 back on Friday 26th March and Y4 on Monday 29th March.

We currently have three members of staff who are absent due to being coronavirus. We are expecting to use a supply teacher in Y1 and hope that Mrs Drake will be able to cover Y4 when they return.

Thank you for your support and patience whilst we work through this situation, as always, if you have any concerns or questions, please get in touch.

Kind regards

Ingrid Bennett

Executive Headteacher
