A word from Mrs Doherty...

I can't quite believe we are at the end of another year. Although it has been a year of challenges and changes, our pupils have faced the world with positivity, resilience, empathy and good humour and I am so proud of them and our school.

Despite restrictions our pupils have enjoyed many educational experiences, from growing vegetables, to pottery workshops, to immersive history days, Greek picnics, water fights, beach days and more. It was wonderful to be able to get out on school trips over the last couple of weeks and we wouldn't have been able to do that without the support of our PTA. It's been a tough year for them fundraising, so please support them if you can!

We are very lucky to have such a supportive school community, from parent volunteers, community volunteers and financial support from local businesses, we couldn't do everything that we do for the children without you. We are all immensely grateful for your help.

The end of the summer term is always tinged with a little sadness as we say goodbye to people. Firstly, goodbye to Mrs Bennett, our Head Teacher. We are extremely appreciative of her leadership and for making our school the very special place that it is, her energy will be missed. And of course, goodbye to our Year 6 pupils, it's been an absolute privilege to watch these children grow into confident young adults and we wish them all well for the next step in their journey.

Well done to all of our award winners and to all of our pupils for being the stars that they are. Have a wonderful summer break, stay safe and I look forward to welcoming you all back to school on the 7th September.

Parent Pay

Please remember to check your Parent Pay account and ensure that all debit balances are cleared completely by the end of term.

Plymouth Argyle's Summer Roadshow

Plymouth Argyle will be running their Summer Roadshow throughout the summer holidays. Open to children of all abilities between the ages of 5-15, prices from £5-£18.

Restricted places are available, please book early to avoid disappointment. You can book online [here](#).

New September school day

From 7th September, our school day will be from 8:45 until 15:00, the school gates will be opened at 8:40. Parents can wait in the playground, but we are asking that masks are worn. Teachers will be outside their classrooms to collect children and see them into the building. We ask that parents do not enter classrooms. Once children have been collected by their teachers, parents should leave the playground promptly and we can ensure the playground is secured. Gates will reopen at 14:55 for collection.

Facebook

Keep an eye on our Facebook page over the summer holidays, there will be lots of pictures and videos for you to see of all of the exciting things that have been happening over the last couple of weeks.

The first video on the to-do list is the Year 6 Leaver's Assembly. Photos of individual pupils from the Leaver's Assembly will be available to be shared with parents once they have been edited.

If you would like a copy of your child's photo, please contact kdavies@lanivet.cornwall.sch.uk.

Otter Class – Endangered Animal Fundraiser Update

Thank you to everyone that supported our Otter Class in their fundraising efforts for WWF. The final total raised was a massive £524, completely smashing their target. This means that Otter Class are able to sponsor even more endangered animals. They wanted to share their passion for helping our planet with the whole school and have decided to sponsor an animal of behalf of every class.

From next term each class will receive updates on a different endangered animal species.

The animals that Otter Class have chosen are:

- Reception Class – a dolphin
- Year 1 – a gorilla
- Year 2 – a lion
- Year 3 – a tiger
- Year 4 – a turtle (chosen because of a class mate's love of turtles!)
- Year 5 – a rhino
- Year 6 – a panda

A big well done to our generous and giving Otter Class, now all of our pupils can learn about endangered animals.
